

About MMCT-

The M. M. college of Technology, Raipur is a leading engineering college under the aegis of MM Foundation, offering B.E. Degree in five happening branches, P.G. Degree in Civil Engineering and Diploma in Civil and Mechanical Engineering. Started in the year 2007, the institute has gracefully entered into its 8th successful year, making its remarkable presence in academics, as well as co-curricular and extra curricular activities in this region. Located in a lush green campus near the international cricket stadium in Raipur, the college provides an inspiring atmosphere for studies, research & development and overall personality development of students.

About the Conference -

Poverty is a universal problem, yet its high occurrence and incidence in rural areas makes it predominantly rural phenomenon. It is one of the most important dimensions in the development agenda of India, whose nearly seventy percent of population is dependent upon agriculture for livelihood. Pertaining to this, Rural Development has become the focus of development in countries around the world. India lives in villages, the development of the nation cannot be achieved without the development of villages. The sustainability of rural development initiatives depends greatly on the agribusiness and concerned stakeholders which include not only governmental agencies but also NGOs, and private organizations which have realized the rural market as an untapped segment for profit generation. India continues to be agrarian economy, which contributes less than one fourth of the GDP but employs more than seventy percent of the rural work force. In the post independence era India has achieved commendable success on many fronts. This National Conference on Recent Development, Future Challenges & Opportunities for Rural Development in Globalized Environment is being organized by the MM College of Technology as an Opportunity to all concerned including students, teachers, researchers, policymakers, governmental and non-governmental organizations to introspect, deliberate and devise the strategies for rural development.

Call for Papers -

We invite academic scholars, practicing professionals, researchers and engineering students to participate by sharing their papers on various sub-themes. Original contributions based on the results of research and developments are solicited on the wide range of topics listed below. Prospective authors are requested to submit their papers in not more than 6 pages, prepared in the two column IEEE format. The paper should contain the e-mail address, postal address and affiliation of the author(s). Accepted papers will be published in the proceedings of the conference, and International Journal (IJCSN). Topics of interest for submission include, but not limited to:

1. Electronics & Telecommunication Engineering

- Instrumentation
- Embedded System
- Mechatronics
- VLSI
- Signal Processing
- Various Communications System
- Bio Medical Instrumentation

2. Electrical Engineering

- Conventional & Non-conventional Power Systems
- FACTS and HVDC
- Generation, Transmission & Distribution System
- Energy Conservation
- Power Electronics & Drives
- Power Quality & Power Factor Improvements
- Electrical Machines

3. Computer Science & Engineering

- Information Communication using flexible Technology.
- Technological Implementation, Challenges and opportunities in rural areas for sustainability.
- Recent Trends in public distribution System
- Software Engineering & Computer Simulation
- Artificial Intelligence & Neural Network.
- Computer Network & security
- Image processing

4. Civil Engineering

- Ground Development Technique
- Environmental Monitoring regarding Potable water.
- Waste water and Storm water.
- Natural Buildings
- Computational Methods

5. Mechanical Engineering

- Sustainable and Green Manufacturing
- Analysis of Design Constraints.
- Solid Waste Management
- Reverse Engineering
- Automobile Technology
- Robotics

6. Science & Management System

- Mathematics
- Physics
- Chemistry
- Bio Technology
- Management
- Physical Education
- Applied Geology
- Library Science
- Pollution and Disaster Management

Guidelines for Paper Submission:

Only original and unpublished work is sought. The contributors should certify that manuscript has neither been published anywhere nor is being considered presently anywhere for publication.

Submission should include a separate title page which clearly indicates the name(s) of the author(s), affiliation(s), complete mailing address (i.e. telephone/fax numbers and e-mail address), title of the paper and up to four key words that describe the paper. The last sheet of the paper should have a brief autobiography of the author(s) in not more than 100 words.

For preparation of the manuscript, the author(s) are requested to follow IEEE format. An electronic version of the manuscript in MS-Word format should be submitted via e-mail and a hard copy of the same should be sent. (All text should be in single space with 1 inch margin on all the sides on (A4) size paper using a font size of 12 in Times Roman.)

All selected papers would be considered for publication in reputed International Journal (IJCSN) with publication charge Rs. 500/-. At least one of the authors must pre-register for the conference and present the paper. A maximum of two papers can be presented by one person.

Submission of papers shall be through conference website:

Conference URL : <http://hdl.handle.net/2014@mmctraipur.com>
Institution URL : <http://www.mmctraipur.com>

Program Date and Venue :

Monday, 22nd Sept. 2014
At Antariksha Hall, MMCT, Raipur

Key Dates:

Submission of the full length papers : 12th Sept. 2014
(Word limit 5000 words)

Submission of the full length papers : (After Review)
Thursday, 18th Sept., 2014

REGISTRATION FEE

Academician	- Rs. 700/-
Research Scholar/Students	- Rs. 500/-
Industrial / Corporate	- Rs. 1000/-

The registration fee will include the participation in the conference, the conference proceedings and the working lunch and snacks during the conference.

Mode of payment: Registration fee shall be paid through DD in favor of "M.M. College of Technology, Raipur" payable at or through electronic transfer at State Bank of India, Branch Code-Byron Nazer, A/c. 30240021310, Bank IFSC code No. SBIN 0004440 (A copy of bank transfer details may please be attached with registration form).
